

Lincoln Ostomy Association Support and Marketing

The mission

Lincoln Ostomy Association is a resource for information and support for people who experience and ostomy. We welcome families, suppliers and professionals as well.

Who do we reach?

Besides about 100 members in and around the Lincoln, Neb. area, LOA partners with local wound and ostomy nurses, doctors and health facilities to provide support and education through visitation resources, meetings, the LOA website and newsletter, "the Sparrow." Our education resources are usually introduced to new ostomates by these partners.

The Sparrow

Lincoln Ostomy Association Sparrow is a quarterly newsletter featuring the activities of the association as well as local businesses and groups catering to ostomates who seek medical support in the Lincoln, Neb. area. Three hundred newsletters are mailed and distributed to members, nurses, health stores and specialists' offices. Sparrow also appears on the LOA website and is announced on social media.
